answer

Standard shipping takes 3-5 business days within India. Express shipping takes 1-2 business days for an additional fee of Rs 100. Currently we only ship within India. International shipping is not yet available, but we're working on adding it in 2027.

Once your order ships

Items can be returned within 15 days of delivery if unused and in original packaging with tags attached. Refunds are processed within 7-10 business days.

Sale and clearance items are final sale and cannot be returned unless defective.

Go to My Orders

COD is available in most pin codes except a few remote areas. You'll see COD as an option at checkout only if it's available in your area.

Payments can be declined due to insufficient balance

Orders can be cancelled for free within 1 hour of placing them, from My Orders > Cancel Order. After that, cancellation depends on the item.
